August 9, 2016 (Port Elgin, ON) – The Canadian Agri-Business Education Foundation (CABEF) is proud to announce the six winners of their annual scholarships. Each of these exceptional students will receive \$2,500 for post-secondary agricultural education. The 2016 winners are:

David MacTaggart, Lacombe, AB
Autumn Lawson, Rose Valley, SK
Bailey Gitzel, Graysville, MB
Rebecca Redner, Warkworth, ON
Andrew Hickey, Quyon, QC
Ryan Porter, Belmont, NS

Each year, CABEF awards six scholarships of \$2,500 to Canadian students entering their first year at an accredited agriculture college or university. CABEF is a charity foundation that encourages students to pursue their passion for agriculture and to bring their new ideas and talent to the industry. Scholarship winners are evaluated on a combination of leadership attributes, academic standing and their response to the essay question, "What do you consider to be the three main opportunities for the Canadian agriculture industry and which one inspires you the most?"
